

Layout

Centered Single-Column Card Layout on a full-viewport background. Fixed top navigation bar and fixed bottom footer flank a vertically and horizontally centered login card. The card contains the login form with stacked input fields, a forgot-password link, and a primary login button.

UI Structure

Header (Fixed Top): Web Navigation Bar — Desktop | [Logo] [Link: Home] [Link: About] [Link: Contact] [Button: CTA]

Main Content Area (Centered, Full-Width Below Header):

— Login Card Container (centered horizontally and vertically):

- Screen Title: 'Welcome Back' (H1 heading)
- Subtitle: 'Sign in to your account to continue' (body text)
- [Form: Login Form]
 - Email Input Field: Label 'Email Address' + text input
 - Password Input Field: Label 'Password' + password input (masked)
 - [Link: Forgot Password?] (right-aligned below password field)
 - [Button: Login] (full-width primary CTA)
- Divider: 'or'
- [Link: Create an Account] (centered below card)

Footer (Fixed Bottom): Web Footer — Desktop | [Link: Terms] [Link: Privacy] [Link: Contact] [Copyright & footer note] [Logo]

Layout Spec

- Viewport: Desktop (min-width: 1024px)
- Header: Full-width fixed navigation bar at top (height ~60px); uses 'Web Navigation Bar - Desktop' exactly as defined.
- Main Content: Remaining viewport height between header and footer; login card centered using flexbox (justify-content: center; align-items: center).
- Login Card: max-width ~480px; padding 40px; centered on page; contains form elements stacked vertically with consistent spacing (16px gap between fields).
- Email Input: Full-width within card; label above input.
- Password Input: Full-width within card; label above input; 'Forgot Password?' link right-aligned below input.
- Login Button: Full-width primary button below password field.
- Divider: Horizontal rule with 'or' text centered.
- Create Account Link: Centered text link below divider.
- Footer: Full-width fixed footer at bottom (~50px height); uses 'Web Footer - Desktop' exactly as defined.

Styling Spec

- Typography: H1 for screen title; body/label text for form labels and helper text; small text for links.
- Login Card: Elevated card with subtle shadow; rounded corners; white/light background contrasting against page background.
- Primary Button [Login]: Full-width; prominent brand color; high contrast label text.
- Input Fields: Bordered inputs with visible focus states; error state with red border and inline error message below field.
- Forgot Password Link: Secondary text color; right-aligned; underline on hover.
- Create Account Link: Centered; underline on hover; secondary color.
- Error State: Inline error message displayed in red below the respective field or as a banner at top of form for general auth errors.
- Footer & Header: Consistent with Design System definitions; no modifications.

Responsive Adaptation

RESPONSIVE MOBILE (Web — Browser, not Native App):

- Header replaced with 'Web Navigation Bar - Mobile': [Logo] [Hamburger Menu Icon] — fixed at top.
- Main content stacks vertically; login card expands to nearly full viewport width (margin: 0 16px; max-width: 100%).
- Card padding reduced to 24px.
- All form fields remain full-width within the card.
- Footer replaced with 'Web Footer - Mobile': stacked links and copyright, logo at top of footer block.
- Touch-friendly tap targets (min 44px height) for all inputs, buttons, and links.
- Viewport: max-width 767px.
