

Layout

Centered single-column form layout on a full-width desktop page. The navigation bar is fixed at the top. The registration form is presented inside a card container horizontally centered on the page with generous whitespace on either side. The footer is anchored at the bottom of the page.

UI Structure

Header (Fixed Top): Web Navigation Bar — Desktop | [Logo] [Link: Home] [Link: About] [Link: Contact] [Button]

Main Content Area (Centered, Single Column Card Layout):

- Page Title: 'Create Your Account' (H1 heading)
- Registration Form Card:
 - Name Input Field: Label 'Full Name' + Text Input [_____]
 - Email Input Field: Label 'Email Address' + Text Input [_____]
 - Password Input Field: Label 'Password' + Password Input [*****]
 - Register Button: [Register] (Primary CTA, full-width within card)
- Secondary Link: 'Already have an account? [Sign In]'

Footer (Fixed Bottom): Web Footer — Desktop | [Link: Terms] [Link: Privacy] [Link: Contact] [Copyright & footer note] [Logo]

Layout Spec

- Viewport: Desktop ("1024px)
- Page background: Full-width, neutral/light background fill
- Navigation Bar: Fixed top, full-width — replicates 'Web Navigation Bar - Desktop' exactly: [Logo] [Link: Home] [Link: About] [Link: Contact] [Button]
- Main Content: Vertically and horizontally centered card
 - Card width: ~480px max-width, centered with auto margins
 - Card padding: 40px internal padding
 - Card contains: H1 title, 3 labeled input fields (Name, Email, Password), Primary Register Button, Secondary Sign In link
 - Input fields: Full width within card, labeled above each field
 - Register Button: Full width within card, primary style
 - Sign In link: Centered below button, smaller text
- Footer: Full-width, fixed/sticky at bottom — replicates 'Web Footer - Desktop' exactly: [Link: Terms] [Link: Privacy] [Link: Contact] [Copyright & footer note] [Logo]

Styling Spec

- Typography: H1 for page title (e.g., 'Create Your Account'), body/label text for field labels, small text for secondary link
- Spacing: Consistent vertical rhythm between form fields (~16–24px gap), 40px card padding
- Button: Primary style for [Register] CTA — prominent, full-width within card
- Input fields: Bordered, rounded inputs with placeholder text; password field uses masked input
- Card: Subtle shadow or border to distinguish from page background
- Footer and Header: Match Design System definitions exactly — no structural modifications
- Icons/Imagery: No decorative images required; standard form icons (e.g., lock icon for password field) may be used per Design System iconography

Responsive Adaptation

VIEWPORT ANALYSIS: The screen category is 'Web + Responsive Mobile', which maps to BOTH web and mobile. Therefore, three outputs are generated:

1. Web (Desktop) — this screen.
2. Responsive Mobile Website — derived from the web layout (see separate screen entry).
3. Mobile App-specific — native mobile app screens (see separate screen entry).
